In this corrigendum, we included additional partnerships missing in the original acknowledgements section.

Acknowledgements. The authors gratefully acknowledge the European Space Agency for the Copernicus Sentinel 1 data acquired from Data Hub, courtesy of the EU/ESA, the NASA MEaSUREs program for the TSX velocity products, and the German Aerospace Center (DLR) for the TerraSAR-X data. The velocity product used in this work is freely available at http://www.cpom.ucl.ac.uk/csopr/iv/ (last access: 11 June 2018). The Sentinel-1 data are freely available at https://scihub.copernicus.eu/ (last access: 25 June 2018); velocity products from TSX at https://nsidc.org/data/nsidc-0481 (last access: 25 June 2018). This work was led by the NERC Centre for Polar Observation and Modelling, supported by the Natural Environment Research Council (cpom300001), with the support of a grant (4000107503/13/I-BG), and the European Space Agency. Anna E. Hogg is funded by the European Space Agency’s support of Science Element program and an independent research fellowship (400012797/15/I-SBo). Adriano Lemos was supported by the CAPES-Brazil PhD scholarship. The NASA MEaSUREs program (NASA grants: NNX08AL98A and NNX13AJ21A) supported Ian Joughin’s contribution. We thank the editor Andreas Vieli, and the two reviewers, Rachel Carr and an anonymous referee, for their comments, which helped to improve the manuscript.
